- Separate round-robins (Group A and B) followed by a final playoff game between the winners of the round-robins to decide the overall Club Trophy winning team.
- In each round-robin, 3 points for win, 1 point for tie. Winner is team with most points.
- In each round-robin, if there is a tie in number of points, winner will be decided on number of ends won.

If still tied with a 2-way tie, the winner decided on result of the head-to-head game between the two teams during the round-robin. Or, if still tied with a 3-way tie, the winner decided upon the total number of points won during the round-robin games.
