

### **SPECIAL CONDITIONS OF PLAY FOR 2021 FEDERATION MATCHES**

**Wearing masks registered players must report only 15 minutes before scheduled start time and proceed directly to their assigned rink. No socializing is permitted. Once their game is finished they must leave the premises.**

**The wearing of masks is mandatory when inside the Clubhouse which is off limits except to use the washroom. Masks are optional outside but players must obey social distancing rules (2 meters) at all times. No visitors, fans or guest are permitted during the tournament playdowns. Other than players only officiating and greens personnel are allowed.**

**Washrooms will be disinfected before the start of every tournament. Only 1 player per gender may use the washrooms at any time. Players must wash their hands before returning to the green.**

**When playing Triples only 2 players may be on the green at each end (2 meters apart) the other 2 wait off the green (2 meters apart). Social distancing must be maintained at all times when changing players on the mat (approach on the left and exit on the right). While walking to change ends use the right side of the rink going to and fro.**

**Each team should be assigned to push the bowls at one end while the other team pushes at the other end. The same will apply for measuring.**
